

Ten Tors 2024 - Training Dates Summary v2

For full details of each event see the Training Calendar:

(<https://cesd.org.uk/sections/explorers/tentors/training-locations/>) which provides details of the event, times and locations, will be updated with up to date information about each event.

NOTE: The 45mile TT Challenge schedule is designed for those who have completed a previous Ten Tors challenge and are trying out again for selection for our 45m teams, any young person wanting to try out for selection for 45m but have not completed a previous TT challenge should in addition attend all the 35m training sessions as should all young persons using the training to complete their DofE Physical Section (or Skills Section if developing Navigation as a skill).

This schedule is subject to change due to weather conditions and other unforeseen circumstances.

Additional sessions may be added if necessary and there will also be a post Ten Tors celebration event.
